FAMILY SUPPORT CENTER OF THE UINTAH BASIN, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2006

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Background

Family Support Center of the Uintah Basin, Inc. was incorporated as a Utah nonprofit corporation. The corporation operates under a board of directors and provides the following services, as authorized by the charter: child abuse intervention, crisis care for children and parents in distress, parenting classes, support groups and prevention programs.

Basis of Accounting

Family Support Center prepares its financial statements on the accrual basis of accounting in accordance with generally accepted accounting principles. Contributions are recorded when received. All contributions are available for unrestricted use unless specifically restricted by the donor.

Restricted funds have been established to account for those resources available for use, but expendable only for the purposes specified by the contracts.

Income Taxes

The organization is an exempt organization for federal income tax purposes under section 501(c)(3) of the Internal Revenue Code and therefore, has made no provision for federal income taxes.

Cash Equivalents

For purposes of the statement of cash flows, Family Support Center considers all cash and other highly liquid investments with initial maturities of three months or less to be cash equivalents.

Capital Assets

Capital assets (land, building, improvements, and furniture and equipment) are recorded at cost or at estimated fair value at the date of gift. Donated items are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Depreciation is provided using the straight-line method over estimated useful lives of five to forty years.

Contributions of Donated Items

Contributions of donated non-cash assets are recorded at their fair values in the financial Statements. Non-cash items include supplies, clothing and capital assets.

2. FIXED ASSETS

Fixed assets are as follows:

FIXED ASSETS, AT COST				
	Balance July 1, 2005	Additions	Adjustments and Retirements	Balance June 30, 2006
Land	\$ 10,000			\$ 10,000
Building	59,799			59,799
Improvements	1,595	\$ 650		2,245
Equipment and furniture	38,652	1,192		39,844
Total fixed assets	<u>\$ 110,046</u>	<u>\$ 1,842</u>	<u>\$...</u>	<u>\$ 111,888</u>
ACCUMULATED DEPRECIATION				
	Balance July 1, 2005	Depreciation	Adjustments and Retirements	Balance June 30, 2006
Building	\$ 17,940	\$ 1,495		\$ 19,435
Improvements	318	225		543
Equipment and furniture	30,323	3,714		34,037
Total accumulated depreciation	<u>\$ 48,581</u>	<u>\$ 5,434</u>	<u>\$...</u>	<u>\$ 54,015</u>

Provision for depreciation of property and equipment is computed on the straight-line method. Depreciation is based on estimated useful lives of individual units or classes of property. The cost of maintenance and repairs of properties and renewals, which do not involve substantial betterment, are charged to expense as incurred. When an item of property is replaced and a substantial betterment results, the cost of the replaced property is retired and the cost of the new property is capitalized. At the time properties are retired or otherwise disposed of, the cost of the asset and related accumulated depreciation are removed from the accounts. Gains and losses therefrom are reflected in the income statement.

3. **DEPOSITS**

Deposits are carried at cost plus accrued interest. The carrying amount of deposits is listed on the balance sheet as cash.

	<u>Carrying Amount</u>	<u>Bank Balance</u>
Insured (FDIC)	<u>\$ 26,944</u>	<u>\$ 33,080</u>

4. **PENSION PLAN**

As of June 30, 2006, Family Support Center of the Uintah Basin, Inc. was not participating in any retirement program.

5. **COMPENSATED ABSENCES**

Compensated absences have not been figured, as Family Support Center of the Uintah Basin, Inc. does not provide a plan to compensate employees for these amounts.

6. **NOTE PAYABLE**

At June 30, 2006, Family Support Center of the Uintah Basin, Inc. had the following note payable totaling \$10,462.

A note payable to Western Mortgage Loan Corporation was entered into by Family Support Center; in November 1997, Star Bank Mortgage began servicing the loan. The proceeds were used to purchase land and a building for the Center. The terms of the note payable are as follows: Payments are \$530.19 and equal payments are due on or before the first day of each month thereafter. The interest rate is eleven and one-half percent (11.5%) per annum. Principal and interest payments are as follows:

<u>YEAR ENDED</u>	<u>INTEREST</u>	<u>PRINCIPAL</u>	<u>TOTAL</u>

7. **FUND RAISING INFORMATION**

Fund raising revenues and costs have been minimal for the Center. Total fund raising revenues and expenses have neither been kept separate or reported.

8. **RESTRICTED NET ASSET BALANCE**

The restricted net asset account pertains to federal and state grants that have been received by the Center. The balance represents equipment purchases made with federal and state funds reduced by the accumulated depreciation for the assets.

9. **USE OF ESTIMATES**

The preparation of financial statements in conformity with generally accepted accounting principles requires the Board Members to make estimates and assumptions that affect certain reported amounts and disclosures. These have been in establishing values of donated items, supplies and time. Accordingly, actual results could differ from those estimates.

10. **DONATED SERVICES**

The Family Support Center receives a significant amount of donated services from unpaid volunteers who assist in special projects and activities at the Center. No amounts have been recognized in the statement of activities because the criteria for recognition under SFAS No. 116 have not been satisfied.
